

Build Your "Art SmARTs" with smART Explorers!

smART Explorers programs align with National and State Standards for Art Education. Program fees vary by program type and are usually paid by Parents, PTA/PTO or grant dollars. Teachers and Chaperones are welcome to participate free of charge.

smART Explorers programs are age appropriate and are facilitated by trained artists who promote a positive attitude and creative environment. All materials are included in these "ARTrageous" experiences.

Reservations are required and a program deposit may be required to secure your requested date and time.

Combining the Passion of Art with the Power of Imagination

smART Explorers provides an empowering art experience that supports each participant's individual style and provides the tools to take an idea from within and give it form. Participants will simply marvel at what they can do.

We deliver quality art education and enrichment programs that explore a participant's natural curiosity about art and helps develop and strengthen creative skills, build self-esteem and the confidence to try something new.

smART Explorers programs are packed with tons of exciting and engaging art projects. Participants will build their "Art smARTs" while being exposed to the amazing masters, history and techniques of art! Participants will even create their own masterpieces!

Toddler/Mommy & Me Programs

Amazing programs magnificently designed for Toddler/Mommy & Me playgroups. These programs are high quality, age appropriate, safe, stimulating and FUN for both child and parent.

In-School Field Trips

Your students will earn their "Art Smarts" as they engage in totally hands on "ARTrageously" fun programs. Programs are aligned with National and State Standards in Art and help build confidence and self-esteem.

Preschool Programs

smART Explorers continues to nurture budding young artists with our amazing programs, written to expand your preschooler's creativity, imagination and initiative.

Afterschool Programs

Designed to be educational, entertaining and fun, our afterschool programs encourage freedom of expression, allow students to feel good about themselves and experience a sense of pride in their own art work.

Enrichment Programs

Our monthly themed enrichment sessions allow kids to use their imagination and curiosity while learning art concepts and techniques. Enjoy a full hour, each week, of inspiring and FUN art experiences. Each month highlights a new artist or art technique.

Camps

Our enriching camp programs provide inspiring experiences for your creative campers. They will enjoy, "Doing art, not viewing art", as they learn to use shapes, lines and colors to create masterpieces.

Birthday pARTies

Every child becomes a REAL artist creating REAL masterpieces! Our ARTrageous and FUN birthday pARTies combine the most exciting experiences to create memories that will last a lifetime.

Art for All Ages

smART Explorers teen and adult programs encourage self expression, build confidence and self-esteem. Programs offer art experiences that allow participants to manipulate a variety of art mediums while keeping their minds stimulated.

Mini-Camps

Our programs encourage children to use their imagination while building an appreciation for the world of art. Join our mini-camp and help to deepen your child's fascination with art as they investigate and explore its many mediums.

ARTrageous Camp

Our multi-week, full-day camp provides a vehicle for learning a variety of art concepts that will inspire interest and get the kid's imaginations flowing! Your budding young artist will return home with new interests, skills and confidence.

Corporate Events

smART Explorers ARTrageous programs provide added FUN and excitement to private parties, company picnics, special events, holidays, camps and corporate events.
